"What we need is a pilot, and that pilot is Commander Weinstein. Which presents problems legally, if noding else. He's the captain of a ship and should not leave it. That's what kept him on the Edgar in the first place. But he did have a lot of training on the lander simulator back when he was so sure he'd be picked for the ground team. You know Winey, always the instinct to be the one-man show. So if he thought he could do it, he'd be down here in a minute to bail us out and grab the publicity. I understand they're trying to work out a heat-shield parachute system from one of the drop capsules that were supposed to ferry down supplies to us during the stay here. But it's very risky. You don't modify an aerodynamic design lightly, not one that's supposed to hit the atmosphere at ten thousand-plus kilometers. So I think we can rule that out.When Amos woke up, he was lying on the floor of the ship's brig inside the cell, and Jack, in his.one thing I have always wanted more than anything else, for myself, for my nearest and dearest friend, is."Have you heard about the giant department store in Japan?" he asked her. "It covers sixteen acres."..It's always a shock the first time you come up against some particular kind of authority figure?a dentist, a psychiatrist, a cop?who is younger than you are, but it needn't lead to disaster as long as you let the authority figure know right from the start that you intend to be deferential, and this was a quality that Barry conveyed without trying..number to go."."This would be a nice night for a fire.
