How Swley did what only he did so well was something nobody was quite sure of, least of all Swley himself. Whatever the reason, Swley's ability to pick out significant details from a hopeless mess of background garbage and to distinguish consistently between valid information and decoys was justly famed and uncanny. But since Swley himself didn't understand how he did it, he was unable to explain it to the systems programmers, who had hoped to duplicate his feats with their image-analysis programs. That had been when the "-sits" and the "-zoologists" began their endless batteries of fruitless tests. Eventually Swley made up plausible-sounding explanations for the benefit of the specialists, but these were exposed when the programs written to their specifications failed to work. Then Swley began claiming that his mysterious gift had suddenly deserted him completely.. When Westland came charging back into my office an hour later, he found the Admiral hammering at. She patted him on the back. "Sure, I know. You forget, I read your dossier. It mentioned several." "You're right, of course.
