Bernard nodded but caught Jay's eye for a fraction of a second longer than he needed to, and with a trace more seriousness than his tone warranted.."Exactly, Jay. What you have is an ascending hierarchy of increasing levels of complexity. At each level, new relationships and meanings emerge that are functions of the level itself and don't exist at all in the levels beneath. For instance, there are twenty-six letters in the alphabet. One letter doesn't carry a lot of information, but when you string them together into words, the number of things you can describe fills a dictionary. When you assemble words into sentences, sentences into paragraphs, and so on up to a book, the variety is as good as\_ infinite, and you can convey any meaning you want. Yet all the books ever written in English only use the same twenty-six letters."..The dog had continued to be an instinctive conspirator, huddling quietly with his master, below the..in New Orleans."..jars, each four inches in diameter and three inches tall.
