"Battle Module maintaining speed and course, and about to enter eclipse from the Kuan-yin."..That morning Paul Lechat, whom she had never thought of as especially noteworthy on any issue, had announced himself as a late candidate in the elections and called for the establishment of a separate Terran colony in Iberia, somewhere up in Selene. He wanted to allow the people from Earth to pursue their own pattern of living without disruptive influences for the immediate future, and possibly to make such an institution permanent if it suited enough people to do so. To Jean the announcement had come as a godsend, and to many others as well, if the amount of popular support that had materialized from all sides within a matter of hours was anything to go by. Why couldn't everybody see it that way? she wondered. It was so obvious. Why were there always some who were obstinate and valued political interests before what common sense said would be for the common good, such as Kalens, who even now was reacting to Lechat as a threat and rallying his own followers to action?.But you hardly even talked about it. Hell, I know I'm twenty years older too, but at least I haven't forgotten all the things we used to talk about. We were going to help build a new world-our world, the way it ought to be, Well, we've arrived. The ride's over. Isn't it time we started thinking about earning the ticket?". "We'll use candles later."..Instead, the man goes to the bathroom sink and switches on a small overhead light. Standing in profile to."Bluffing, hell."
