The site had been chosen because it was a smooth area, allowing easy access up a gentle slope to the flat plains of the Tharsis Plateau, while at the same time only a kilometer from the valley floor. No one could agree which area was most worthy of study: plains or canyon. So this site had been chosen as a compromise. What it meant was that the exploring parties had to either climb up or go down, because there wasn't a damn thing worth seeing near the camp. Even the exposed layering and its areological records could not be seen without a half-kilometer crawler ride up to the point where Crawford had climbed to watch the sunrise..When the cops finally got there, I told them all I knew-except I didn't mention the Detweiler boy. I hung around until I found out that Harry almost certainly wasn't killed after six-thirty. They set the time somewhere between five-ten, when he called me, and six. It looked like Andrew Detweiler was innocent, but what "peculiar" thing had Harry noticed about him, and why had he moved out right after Harry was killed?
